B. Project motivation

The Kien Giang Province RC Chapter and the Friendship Union of Organization (through the Vietnam Red Cross) and the NGOS have united their humanitarian efforts and cooperation over the past years in favour of victims of natural disasters and indigent citizens in Kien Giang Province. As a continuation of their past fruitful cooperation, the Kien Giang Province RC Chapter and the NGOs now intend to focus their efforts on programme to provide reinforced common equipment in favour of rescue teams, charity hospitals, centers of elders and orphans, vocational schools.

Moreover, in 2007, on the occasion of Inaguration of the Kien Giang-Switzerland Friend Ship Association , of the Swiss Consul General Mr. Beat Wafler and Mr. Nguyen Phu Son of the Swiss Red Cross were invited to the district hospitals. The delegates noticed that many inland clinics and islet clinics of Kien Giang Province need to be reinforced by common equipment in favour of rescue teams, hospitals, schools.

On the basis of the above-mentioned concerns and consultations, the Kinder Fur Kinder Ohne Krieg was recommended by the Swiss Consul General and the SRC Representative in VN, selected the items new, packed in 1 container, to be included in this programme and listed below per category.
